DECISION ACKNOWLEDGING REPAYMENT OF EXCESS COMPENSATION AND DIRECTING ADDITIONAL JUDGMENT¹

Dorsey, Chief Special Master:

On October 6, 2015, respondent filed a proffer on award of compensation ["Proffer"] stating that petitioner should be awarded \$128,516.11 consisting of \$125,000.00 compensation paid to petitioner and \$3,516.11 paid to petitioner and Optum, in satisfaction of a Medicaid lien from the State of Minnesota. Proffer at 1 (ECF No. 34). On October 6, 2015, the undersigned issued a decision awarding compensation in the amount of \$128,516.11. (ECF No. 35). Judgment entered on October 19, 2015. (ECF No. 37).

return the overpayment by check to the Division of Injury Compensation Programs/HRSA. Id.

Following the directions of the undersigned, the OSM staff attorney managing this case conferred with clerk's office employees and the parties regarding the best method for amending the judgment to properly reflect the amount awarded petitioner in this case. See Informal Remarks dated Feb. 3 and 26, 2016. On March 11, 2016, the parties filed a joint motion to amend the judgment in this case pursuant to Rule 60(a) of the Rules of the United States Court of Federal Claims. (ECF No. 41). The parties request that the Clerk issue judgment reflecting the overpayment already returned to respondent.²

The undersigned finds the parties' request to be reasonable. Petitioner's Motion is **GRANTED**. Accordingly, the undersigned directs the Clerk to enter an additional judgment in favor of respondent in the amount of **\$353.66**, representing reimbursement for the overpayment of the Medicaid lien amount which already has been repaid by petitioner.

The clerk of the court is directed to enter judgment in accordance with this decision.³
